Instructions:

This assessment is designed to evaluate your understanding of the key concepts discussed during the Accountability workshop. Please provide a brief description of your Accountability Action Plan, highlighting the action steps and timelines you intend to implement.

Accountability Action Plan

1. Action Step 1:

- Describe the first actionable step you plan to take to be more accountable.
- Specify a realistic timeline for its implementation.

2. Action Step 2:

- Describe the second actionable step you plan to take to be more accountable.
- Specify a realistic timeline for its implementation.

3. Action Step 3:

- Describe the third actionable step you plan to take to be more accountable.
- Specify a realistic timeline for its implementation.

4. Accountability Partner:

- Name the participant within the group you have chosen as your accountability partner.
- Briefly explain how you intend to support each other in following through with your action plans.
- Share how often you plan to check in to discuss progress and challenges.

Accountability Action Plan

- Action Step 1: Assert the active roles and responsibilities provided in hand.
 - Timeline: Effective immediately, continue indefinitely.
- Action Step 2: Identify tasks and sub-task that are to be performed in a sequential order in order to satisfy the duties and responsibilities in hand.
 - Timeline: Effective immediately, continue indefinitely.
- Action Step 3: Identify and prioritize the tasks accordingly based off of various criteria such as deadline, importance, dependencies, etc.
 - Timeline: Effective immediately, continue indefinitely.
- Action Step 4: Review the outputs of the tasks with the accountability partner to ensure the quality of the output leads to a desirable outcome.
 - Timeline: Post output creation, continue indefinitely.
 - Accountability partner(s): Members of the same team, Reporting Manager, The person who delegated the task or responsibilities to me.
- Action Step 5: Be on the look-out for feedback and criticism towards the generated output and recent performance from peers.
 - Timeline: Effective immediately, continue indefinitely.
- Action plan 6: Asses the feedback, if any, and identify the areas of improvement and acknowledgements given by the peers.
 - Timeline: Effective immediately, continue indefinitely.

Accountability Partner:

- Members of the same team:
 - Exchange of constructive feedback.
 - Exchange of appreciation for good work and acknowledgements of their traits.
 - Actively offer help to one another if possible.
 - Reach out to one another in case of conflict, confusion or doubt.
 - Knowledge Transfer.
 - Reminder (If possible.)
